

The summers have arrived....it is perhaps

become a common scene everywhere in Jawhar & Dahanu. Scarcity of water leads to suspension of most of the agricultural activity in the region as the people prepare their land for the only major crop during the monsoon. In the midst of the summer heat, we have two good news to share – the completion and launch of two big projects in Jawhar – 1. Sharda Poultry Farm, Vill. Kogda 2. Adim Bricks & Construction Materials Suppliers, Vill. Raytale.

the toughest part of the year. Every year as

the summer sets in, the dry and barren land

Both the projects are great examples of convergence of effort between a government body, an NGO and private organizations for the common good of the society.
